

QIYAAM MOODLEY

ASPIRING FULL-STACK DEVELOPER

Portfolio: qiyaam-moodley.netlify.app

Johannesburg, South Africa • (+27) 065 989 8154 • qiyaam.moodley@gmail.com

LinkedIn linkedin.com/in/qiyaam-moodley • GitHub github.com/qiyaammoodley-droid

PROFESSIONAL PROFILE

Web development trainee with practical experience building responsive web applications and REST APIs. Developing full-stack capability across JavaScript, TypeScript, React, Node.js and Express, with hands-on work in Git/GitHub, API testing and modern UI development. Brings a strong work ethic, customer-facing experience and a structured approach to learning and problem-solving.

PERSONAL DETAILS

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript, TypeScript

Frontend: React, Vite, Tailwind CSS, React Router, Redux Toolkit

Backend: Node.js, Express.js, REST APIs

Tools: Git, GitHub, Postman, Jest, Microsoft Excel

Practices: Responsive design, API testing, middleware, error handling, authentication & authorization

SELECTED MELSOFT PROJECTS

A4AC Architects Website Redesign | React • Tailwind CSS • Responsive Design

Redesigned and rebuilt an architecture website with a modern responsive interface, structured project presentation, reusable components and improved visual hierarchy.

Task Management REST API | Node.js • Express.js • REST • Postman

Developed a task-management REST API using resource-based routes, middleware and error handling. Practised API testing and backend concepts including authentication and authorization.

Habit Tracker Application | React • JavaScript/TypeScript • UI Development

Built a habit-tracking web application with reusable components and interactive functionality, applying React development patterns and responsive UI principles.

Founder Project / Capstone | React • TypeScript • Vite

Developed a practical application from a project brief, applying component architecture, TypeScript, responsive styling, Git workflows and deployment practices.

PROFESSIONAL EXPERIENCE

Tshwane Cash and Carry | Checker / Stock Receiver / Customer Support

Dec 2025 – Apr 2026

Checked and received incoming wholesale stock, supporting accurate deliveries and inventory processes.

Assisted customers with queries and issues, providing practical and professional customer support.

Worked across stock and customer-facing responsibilities in a fast-paced wholesale environment.

Sims Gas | Logistics & Customer Support

Jan 2025 – Jun 2025

Coordinated delivery and pickup logistics, including arranging trucks for customer orders.

Received customer orders and helped organise their dispatch for delivery.

Supported customers and day-to-day logistics operations.

Kholo Academy | Data Capturing Assistant

Jan 2024 – Dec 2024

Captured student information and supporting documents into structured Excel spreadsheets.
Maintained organised records with attention to accuracy and consistency.

EDUCATION

Melsoft Academy | Web Development Programme | 2026

Grade 12 / National Senior Certificate
